WinkBall

Video your event to maximise its visibility online

WinkBall video walls and web film

Whether you're hosting events for the Diamond Jubilee, Olympic Games or any other summer occasion, WinkBall Video Reporters can create an online legacy for you and your organisation to enjoy.

WinkBall's unique and interactive technology allows you to showcase your event to a wider online audience, by allowing you to embed your videos on websites and share this content across social networks, giving prominence to your event long after its finished.

WinkBall have put more than 3 million people on the internet... Have you been Winked?

Sharing your event

Our social media platform allows agencies, brands and individuals to connect with their audiences.

Our unique technology works seamlessly with other social platforms such as Facebook, Twitter, Google+ and LinkedIn, allowing people to share, embed and upload comments.

The package includes

- ▶ Two professional, uniformed WinkBall Video Reporters
- ▶ 50 video interviews of your guests or attendees
- ▶ An embeddable, interactive and filterable video wall to be used for public or private purposes
- ▶ A best-of mini-film of attendees at your event
- ▶ Valuable video content becomes a unique legacy of your special event
- ▶ We work with you to devise the best questions
- ▶ Delivered to you online and on USB for your use and archive

All for **£990**
